

# OPEN CALL FOR PARTICIPANTS

## HACK THE HOSPITAL 2

Join **HACK THE HOSPITAL 2**, the hackathon that connects leading hospitals in pediatric care, real patients and creative minds around the globe to improve the life of hospitalized children!

Join this year's edition and help us design the **room of the future** to improve the patient's experience as well as the hospital's workforce efficiency.

**Dates:**  
**18-19 February 2023**

**Format:**  
**Online hackathon**  
co-working spaces provided in Barcelona, London & Toronto

**Award:**  
2 best ideas will be presented at the **Mobile World Congress Barcelona 2023** (7 February - 2 March 2023, Barcelona)

In collaboration with the **Sant Joan de Déu, Barcelona's Children's Hospital**, the **London's Great Ormond Street Hospital** and the **Toronto's SickKids Hospital**!

### WHO CAN APPLY?

This is a call for **graduate, undergraduate** and **alumni students** specialized in the areas of **technology, business, healthcare and creativity**.

Participants will work in international and multidisciplinary teams of 3 to 4 students allocated in **Barcelona, London and Toronto**. The organization will take care of the matchmaking process according to your skills

**APPLY NOW!**  
**LIMIT JANUARY 31 00:00 CEST**  
Free of charge · limited spots available
